Three Most Remarkable Cures-How They Were Done by an Advertising Doctor.

A card to the public: I feel that I would not be doing my duty to woman-kind if I did not let them know how badly afflicted I have been and how and where to be cured. Ten years ago I was taken with a painful illness, and I have been troubled that way since that time, accompanied with womb trouble in every conceivable way. About three mouths ago the climax came, and I was prostrated with pain contact with his pair e and good type to all through the heart, chest and lungs, and coofined to my bed. After nine doctors of different schools of practice gave me up, with a quart daughing in his coat tail I applied to Drs. Darrin, and they have oured me so I can walk from my residence to their office. I am overjoyed with the result of the cure. Mrs. E.A. AHLF.

> skill of Drs. Darrin is a remarkable instance of a generous impulse worked out against powerful professional prejudice, and is worthy of record:

> Card to the public-I have for the past two years been afflicted with chronic pericarditis, accompanied with great pain around the heart all that time with excessive circulation, sleepless nights, tear and duties of my profession. I had exhausted my knowledge of medicine, as also that my colleagues, and found no relief until coming lunder the electro-magnetic treatment of Drs. Darrin. A little more than a month clapsed since I received this treaten et. I have none of my former trouble, and wish to give my personal experience in the interest of humanity. I have been s practions; thysician fourteen years, and am well known in his city and in Marshfield, Oregon. I deem it but justice to the public and to Drs. Darrin to write the

Dakota's Next Governor. INDIANAPOLIS, Dec. 17 .- Hon, Alfred Dickey of Jamestown, Dak., was among those who visited Gen.

Harrison and had a private conference with him. Mr. Dickey carefully guarded the object of his visit while here, but it transpires that he came in his own interest as a candidate for the governorship of Dakota Territory. From a gentleman conversant with the circumstances, it is learned that Dickey is strongly the proceeds go for the benefit of the endeared to his home people for the appointment as governor to succeed Church. He is a native of Indiana, having lived many years at or near Woodville, and enjoyed Gen. Harrison's acquaintance. It is said his talk with Gen. Harrison was very satisfactory.

Want a Recount,

SAN FRANCISCO, Dec. 17 .- The The following tribute to the gift and Republican State Central committee will consider the proposition of having a general recount of the vote east in this city at the recent election. It was agreed that all republican candidates who believe that a recount would result in their election should hold a conference with representatives of the state and county committees and consider the advisadistress. I was anable to attend to the billity of commencing proceedings for a recount in their cases.

A Big Suit.

LONDON, Dec. 17.—The stockholders of the Lake Superior Copper Co. have decided to wind up the affairs ment, and I can truthfully say that I am of the concern. During the trial of the trade mark suit in the law courts to-day, a photographic instrument was introduced to reproduce letters and other papers. The instrument worked successfully.

A Prohibitionist's Peril.

ROCKFORD, III., Dec. 17 .- Alderman Holmes, who was ordered by White Caps a few days ago to resign within 48 hours and leave the city, has heard from his persecutors again. A dynamite bomb was found on his plazza. The fuse had been ignited, but expired before the explosion

One would judge from the amount of lumber that is being shipped in and distributed through the country that there must be great improvement going on.

The State Normal school goes on in its own quiet, unassuming way, but s doing a good work nevertheless. It has students from all over the state, and the roll is increasing very rapidly. The need of a normal training by the teachers is clearly manifested, and the work of this school is telling on the educational interests of this state.

There are more than 159 students most all of whom aspire to become rulers. What a reinforcement to the present rank of teachers! The time has gone when a person who can read and write and cipher a little can teach. The coming teacher must be wide-awake, progressive, keenly alive to the interests of his pupils -he must teach not merely his rectation, for he has in his charge the most precious part of man-the mind.

Other professions are getting trained and experienced recruits why not teaching? No other place can men and women be drilled so well as at a normal school.

It is strictly a teachers school,
